

THE VAC TRUCK

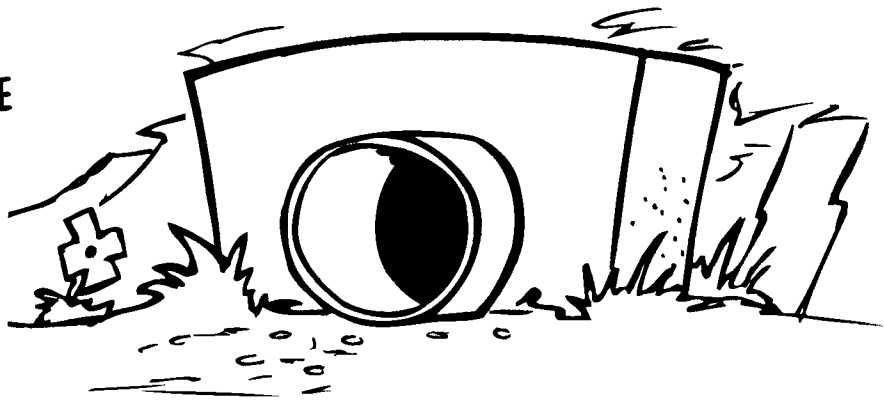

DEBRIS STOPS
UP DRAINS.
THIS CAN LEAD
TO FLOODING.

CHATTANOOGA'S "VAC"
TRUCK ALLOWS CC
OTTER AND CREW TO
CLEAN THE DRAIN
MUCH LIKE A
VACUUM CLEANER.
SPECIAL ATTACHMENTS
THAT WORK LIKE A
DRILL BREAK UP THE
MATERIAL TO MAKE
IT EASIER TO REMOVE.

AFTER A VISIT FROM THE
VAC TRUCK THE DRAIN
IS CLEANED OUT.
WHAT A WONDERFUL
TRUCK AND CREW.

NEED MORE INFO ABOUT
WATER QUALITY TESTING?
